++ Valid for broadcast between 1800 and 0600

Headline:
Sunshine and heavy showers on Friday, some thunder.

This Evening and Tonight:
Showers, locally thundery in the west, gradually dying out this evening. Then the rest of the night will be largely dry, with clear spells and the odd fog patch. Thicker cloud may bring the odd shower to the east later. Minimum temperature 3 deg C (37 deg F).

Friday:
Some brightness at times along with a few showers, some of these heavy and thundery in the afternoon across central and western areas. Maximum temperature 15 deg C (59 deg F).

Outlook for Saturday to Monday:
Mostly cloudy on Saturday with some showery rain. Brighter on Sunday and Monday with scattered showers.
